CURRICULUM VITAE

Insan Fadillah Azzahra

Information Systems Student

Business Analysis / Data Analytics / Quality Assurance / System Analysis

insanfadillahazzahra@gmail.com · linkedin.com/in/insanfadillahazzahra · Indonesia

PROFILE

An Information Systems student at SATH University with a strong interest in business analysis, data analytics, quality assurance, and system analysis. Experienced in translating complex needs into structured requirements, intuitive interfaces, and reliable digital products. A collaborative problem-solver who connects business goals, technology, and user experience to deliver measurable impact.

EDUCATION

SATH University

2022 — 2026

Bachelor's Degree in Information Systems

Relevant coursework: database management, business process modeling, UI/UX design, software testing, and project management. Actively involved in academic projects and student organizations.

PROFESSIONAL EXPERIENCE

Quality Assurance Intern

Jan 2025 — Present

PT. Nusantara Digital · Jakarta, Indonesia · Internship

Execute manual testing for a web-based internal system, documenting test scenarios and collaborating with developers and product owners to ship reliable releases.

- Authored 120+ test cases and tracked defects through Jira.
- Reduced re-test cycles by 20% with clearer bug documentation.

Project Manager Intern

Aug 2024 — Dec 2024

Startup Campus · Remote · Internship

Led a five-person cross-functional team through a digital product project, managing sprint planning, task prioritization, and stakeholder communication.

- Coordinated weekly sprint reviews and maintained the project backlog.
- Delivered the final prototype on schedule and within scope.

UI/UX Designer Intern

Feb 2024 — Jul 2024

Kreatif Studio · Hybrid · Internship

Designed end-to-end user flows and high-fidelity prototypes for internal dashboards and mobile applications, translating research into intuitive interfaces.

- Built a reusable component library for faster design handoff.
- Presented design rationale to clients and incorporated feedback iteratively.

Insan Fadillah Azzahra

SELECTED PROJECTS

Bansu Village Announcement

Web Platform · UI/UX · 2025

Designed a public information platform that helps residents access village announcements, event schedules, and essential services. Conducted user interviews, mapped information architecture, and validated a mobile-first prototype.

User Research | Wireframing | Prototyping | Usability Testing

Internal System UI/UX

Enterprise System · UI/UX · 2025

Redesigned an internal operations platform for a student organization, bringing tasks, approvals, and team updates into one intuitive workspace with a scalable design system.

Information Architecture | Design System | Dashboard | Prototyping

Software Quality Assurance

Web Application · Quality Assurance · 2025

Built a structured QA workflow for a web-based management system, covering test planning, functional and regression checks, and detailed defect reporting.

Test Planning | Test Cases | Regression Testing | Bug Reporting

SKILLS & TOOLS

Business & System Analysis Requirements gathering, stakeholder analysis, business process modeling, user flows, UML & BPMN, BRD documentation, feasibility and cost-benefit analysis.

Quality Assurance Test planning, test case design, manual and regression testing, bug reporting, API testing with Postman, basic automation and performance testing.

UI/UX & Product Design User research, wireframing, prototyping, usability testing, interaction design, design systems, information architecture, and accessible design.

Tools Figma, FigJam, Notion, Miro, Jira, TestRail, Postman, GitHub, Google Workspace, Microsoft Office.

CERTIFICATIONS & TRAINING

Business Analysis Fundamentals — March 2025
Coursera

Quality Assurance & Software Testing Fundamental — January 2025
Digital Talent Academy

UI/UX Design & Prototyping Workshop — November 2024
DesignLab Indonesia

ORGANIZATIONAL EXPERIENCE

HIMSI — Information Systems Student Association — 2023 — 2024
Public Relations & Media

Majelis Ta'lim — 2023 — 2024
Media & Design
